## SOLAS e-bulletin July 2014

[To subscribe, click here](#)

---

### SOLAS Newsletter issue 16/ summer 2014

The latest issue of the [SOLAS Newsletter \(issue 16 / summer 2014\)](#) is available, right on time for you to read during your summer break. Two pdf versions are available, a printable one and an onscreen reader for laptop and tablet.

SOLAS News is an annual free newsletter reporting scientific highlights and progress of SOLAS science. To contribute in our next issue and communicate with a short text on your latest finding, [contact us](#).

*Back cover advertising the upcoming SOLAS OSC2015*

---

### SOLAS national network 2013 annual reports online

The 2013 annual reports received from ca 20 nations are finally available for you to download from the [SOLAS national networks webpages](#). Sorry for the long delay to make them available to you.

---

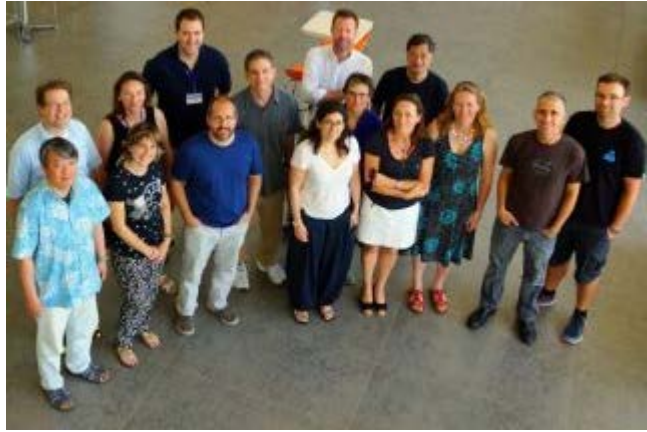

### Swedish-SOLAS Open Science Symposium

A final reminder to our SOLAS community in Sweden about the upcoming Swedish-SOLAS Open Science Symposium, 27-28 Aug 2014, Gothenburg, Sweden. Both established and young researchers from Swedish institutions/universities carrying out SOLAS-related science are very welcome to join this event. Registration is required but free of charge. For further information, visit this [news webpage](#).

## SOLAS SSC meeting and symposium day in Israel

The SOLAS Scientific Steering Committee (SSC) held its annual meeting at the Weizmann Institute of Science in Rehovot, Israel between 16-18 June 2014. The major part of the SSC meeting was dedicated to further develop the scientific framework of SOLAS in its next phase.

*SSC meeting participants: front row from left to right: Yukihiro Nojiri, Michelle Graco, Rafel Simo, Emilie Breviere, Cecile Guieu, Wendy Broadgate, Ilan Koren, Stefan Konradowitz; back row from left to right: Christoph Garbe, Anja Engel, Alfonso Saiz-Lopez, Eric Saltzman, Brian Ward, Lisa Miller, Huiwang Gao*

---

Following the SSC meeting, a SOLAS symposium day took place on the 19 June 2014 at the Weizmann Institute. The day was well attended with over 60 scientists, 19 talks were given on a broad range of SOLAS topics followed by a poster session. The symposium marked the beginning of a new national network: SOLAS Israel. National representative is Yoav Lehan ([yoav.lehahn@weizmann.ac.il](mailto:yoav.lehahn@weizmann.ac.il)).

The SOLAS SSC members and the International Project Officers warmly thank Ilan Koren, Yoav Lehan and their team at the Weizmann Institute for their hospitality and well organised and enjoyable days in Israel.

---

## Future Earth to get globally distributed secretariat

Future Earth will have a new secretariat with a unique and innovative structure that spans three continents, as announced by the International Council for Science on behalf of the members of the Science and Technology Alliance for Global Sustainability (the Alliance). To read the full announcement by Future Earth [click here](#).

---

## Opportunities

- Call for [transnational access to FixO3 observatories](#) (Fixed-point Open Ocean Observatories). Objective of this call is to offer free-of-charge access to fourteen ocean surface, water column and seafloor observatory installations and one shallow water test site (OBSEA). **Deadline: 31 July**
- The proposals for new SCOR working groups are [available for review](#) (Review instructions [here](#)). SCOR welcomes comments from any individual or organization. **Deadline: 1 Aug**
- [APN \(Asia-Pacific Network for Global Change Research\) 2014 'Call for Applications for Funding'](#) is open. **Deadline for summary proposals: 3 Aug**
- [call for Papers](#) to contribute to a special issue of the journal *Marine Chemistry* on 'Biogeochemistry of trace elements and their isotopes'. **Deadline: 31 Oct**

---

## A bit of reading

- [CLIVAR Newsletter](#), May 2014
- [Future Earth Special Edition Newsletter](#), July 2014
- [GEOTRACES eNewsletter](#) No. 8, May 2014
- [Global Change Magazine](#), No. 82, May 2014
- [IMBER Update Newsletter](#), Issue No. 26, May 2014, [IMBER eNews bulletin](#), No. 76, June 2014
- [NF-POGO Alumni Network for Oceans \(NANO\) Newsletter](#), Vol 6, Apr 2014
- [PAGES e-news](#), vol. 2014, no.3
- [Witness the Arctic](#), Issue spring 2014
- Visit this new website: [Building International Research Partnerships in the North Atlantic-Arctic System](#)

## Submit an abstract / register before...

- **AWI-SAHFOS summer school "The importance of time series observations for the assessment of the biological and societal impacts of climate change"**  
22 Sept-3 Oct 2014, Helgoland, Germany, [website](#). Application deadline: **10 July**
- **13th Quadrennial iCACGP Symposium/13th IGAC Science Conference**  
22-26 Sept 2014, Natal, Brazil [website](#). Abstract submission deadline: **15 July**
- **Challenger Society for Marine Science 2014 Conference**  
8-11 Sept 2014, Plymouth, UK [website](#). Deadline for earlybird registration: **31 July**
- **Ocean Salinity Science and Salinity Remote Sensing Workshop**  
26-28 Nov 2014, Exeter, UK [website](#). Submission deadline: **31 July**
- **2014 AGU Fall Meeting**  
15-19 Dec 2014, San Francisco, USA [website](#). Abstract submission deadline: **6 Aug**  
  
**Note SOLAS relevant session # 1834 on The Southern Ocean: Precipitation, Clouds, Aerosols and the Air-Sea Interface.** A description of the session can be found [here](#).
- **Workshop on Chemical Atmosphere-Snow-Sea Ice Interactions: taking the next big step in the field, lab & modelling**  
13-15 Oct 2014, Cambridge, UK, [website](#). Registration deadline: **15 Aug**
- **5th Biennial Conference on Atmosphere Chemical Mechanisms (AtmosChemMech2014)**  
10-12 Dec 2014, Davis, USA [website](#). Abstract submission deadline: **29 Aug**
- **International Conference "Our Climate - Our Future" 2014**  
6-9 Oct 2014, Berlin, Germany [website](#). Registration deadline: **30 Aug**
- **EuroOCEAN 2014**  
7-9 Oct 2014, Rome, Italy [website](#). Registration deadline: **30 Sept**

---

## New dates for your diary

- **Arctic Climate Change, Economy, and Society (ACCESS) and Arctic Resilience Report (ARR) summer school**

22-26 Sept 2014 Stockholm, Sweden, [more info](#)

- **OH Reactivity Specialist Uniting Meeting (ORSUM) 1**

13-15 Oct 2014 Mainz, Germany, [website](#)

- **7th International Symposium on Gas Transfer at Water Surfaces**

18-21 May 2015 Seattle, USA, [more info](#)

**\*\*See our full events calendar on our [website\\*\\*](#)**
